Use your CalFresh EBT card at farmers’ markets across Los Angeles County.

Here’s how:

**Step 1**  Go to [FMFinder.org](https://www.fmfinder.org) to find a participating market.

**Step 2**  Find the market’s information booth, or the market manager, and ask how to use your CalFresh EBT card. Some markets, including the ones listed on this flyer, also provide Market Match incentives — additional money to spend on fruits and vegetables.

**Step 3**  Buy and eat! Enjoy all the fresh, nutritious food you’ve purchased for you and your family—with more flavor and less cost.

For more info on the Market Match program or on using CalFresh EBT at Farmers’ Markets contact the Ecology Center at ebt@ecologycenter.org, 510-925-4001 or visit [ecologycenter.org/ebt](http://ecologycenter.org/ebt).

This project has been funded in part with Federal funds from the U.S. Department of Agriculture, an equal opportunity provider and employer.
